

## **Multiple GI Tracts? Jeez!**

1. Break into groups of 3 or 4
2. Assign a digestive tract to each group member: monogastric, ruminant, or avian. If in a group of 4, two students should work together on the avian digestive tract.
3. Read and take notes on your designated section (15 minutes)
4. Share out in groups what you learned (15 minutes)
5. Work through quiz questions and activities (20 minutes)
6. Outside of class (Optional):
  - a. Utilize the coloring sheets
  - b. Watch supplemental learning materials
